Welcome to our home on the internet.

## **Our services:**

### **Hiring of professional Motorola radios**

Motorola radios are the standard for professional radio communication. The CP & GP series are used worldwide for film and event productions, security services and by police and fire departments. You can find out more about the brand we trust [here](#)...

### **A vast array of Motorola gear for lease**

Walkie-Talkies, 2-way-radios, headsets, earpiece headsets, handheld microphones, replacement batteries, repeater systems to increase signal coverage (if the distance requires it) and much, much more...

### **Professional-level radio communication**

Hire radios including frequencies which are exclusively reserved for us by the Federal Radio Communication Authorities. This ensures that the frequencies on our Motorola devices are protected against signal scattering.

### **Super Service**

Overnight delivery in Germany by our partner TNT. No charge for delivery, pick-up and transport days. 24 hour emergency hotline, professional advice and much more...

### **Business focus and reference**

Since the founding of the company in 1998, many companies have been hiring radios from us including construction companies, security services and international film and event producers.

- Hiring earpiece headsets to security services
- Hiring Walkie-Talkies to production companies (film and event)
- Motorola radios for exhibition organisations

We'll be happy to send you some client references upon request – we've provided radios to every industry that uses them.

Our clients include:

- The "Top Ten" security services in Germany
- Film companies such as Universal and Munich Movies
- Exhibition organizers
- The "Top Ten" event equipment rental companies in the world

We'd be pleased to impress you with our services and look forward to your email or phone call – or better yet, come by in person and we can answer all of your questions over a cup of coffee.

Or give us a call, we're glad to provide you with our professional advice and an offer customized to suit your requirements with rebates on large and long-term orders.
